

Dear Colleagues, Participants and Guests,

On behalf of Department of Anatomy, MGM Medical College, Navi Mumbai, it is our great pleasure to invite you for the one-day event '**Remembrance Meet**' on **World Anatomy Day – 15.10.2022**, at MGM Medical College, Kamothe, Navi Mumbai.

Let's all Anatomists come together & celebrate this World Anatomy Day. We can use this opportunity to remember our departed colleagues and their contribution to Anatomy.

Discipline of Anatomy & its role in health sciences is of prime importance. We learn and teach on Dead. But the subject itself is a living, growing entity. To confirm this statement, we are presenting 2 guest lectures – one will deal with '**Foetal Autopsy**' while the other is '**Downsizing Down Syndrome**.' Our distinguished guests will share their views with us.

We at MGM, Navi Mumbai are proud to have a well-established body donation program. We are grateful to these great people and their families, who decide to continue to be useful to society even after death. On this occasion we will be expressing our gratitude through a '**Donor Honor Ceremony**.'

We are also providing a '**Poster Presentation**' platform as an opportunity to showcase your research work in front of colleagues from various institutes. We look forward to your participation in this event. MGM, Navi Mumbai awaits your arrival.
